

cas de contrôle.

Pour les forfaits Navigo Mois et Navigo Semaine, le contrôleur peut vous demander d'afficher votre photo enregistrée dans Île de France Mobilités Connect.

Please ensure that NFC is enable in your phone's settings throughout your journey.

Your transport ticket must be validated at each entry point to the transport network and during transfer.

To validate your ticket, tap the back of your phone or the display of your Samsung watch to the contactless reader on the validator or at the gate, or on inspection device in case of inspection.

When travelling with a weekly or monthly Navigo pass, in case of inspection, you may be requested to display you ID photo registered in Île-de-France Mobilités Connect.

Merci de ne pas répondre à cet e-mail. Pour toute question consultez la FAQ.
